No.CoE/ 5495 (299) /2022,

Dated: 04.05.2022

To

1. The Principal, All +3 Degree / Self Financing Colleges under Utkal University;
2. The Director, D.D.C.E., Utkal University

Sub: Implementation of course "Ethics and Values" and "Environmental Studies and Disaster Management" in +3 1<sup>st</sup> semester examination.

Madam/Sir,

As intimated by Odisha State Higher Education Council, Department of Higher Education, Govt. of Odisha, a new course "Ethics and Values" has been introduced from the +3 1<sup>st</sup> semester examination (AB 2021). Subsequently the syllabus has been recommended by a joint board of study and approved by the Vice Chancellor.

Similarly the revised syllabus of "Environmental Studies and Disaster Management" has also been introduced from the +3 1<sup>st</sup> semester examination (AB 2021) and communicated to all the colleges earlier. Now as per the guideline and regulation, the question paper for +3 1<sup>st</sup> semester examination (AB 2021) will be set accordingly.

However, for "Ethics and Values", the Term End Examination will be one hour duration as prescribed and the answer scripts will be evaluated by the concerned teachers at the college level. There will be no Mid Term Examination in this paper. Students may be communicated the question pattern as per the enclosed letter (page 3).

For the paper "Environmental Studies and Disaster Management", only for this Term End Examination, more weightage will be given to the old content with more number of questions in the paper to compensate the examinees on the revised syllabus.

Yours faithfully,
